Dear Sir or Madam

Ref 765185 - Subject access request - payment enclosed

Thanks for your reply and request for payment, which I enclose alongside my original letter.

In addition I would like you to provide any information on a particular event from this week:

On **Tuesday 12th December at 13:20** I allegedly clicked a one-click subscription advert while browsing on my mobile. This resulted in an SMS from 'PlayOGame' and I was subscribed to a pay-weekly service. I have since cancelled this 'subscription', but I would like any information you have on the event, including:

- The exact web pages I allegedly visited to trigger this subscription
- Exactly what information was passed by EE to Payguru
- The method or mechanism by which the information was passed (e.g. HTTP headers, etc)

Yours faithfully,
